With each house shot event featuring 3 separate events; scratch, 49 \& under handicap, and senior handicap, the LIGBT house shot events are a perfect way to enjoy a bowling tournament.

The House Shot Series culminates with the end-of-season House Shot Championships. Everyone is welcomed to participate and the more events you bowl the lower your entry fee is in the Championship. In addition, all bowlers competing in 8 or more House Shot Series events are automatically entered into a free $\$ 2,500$ tournament held during the Championships.

REFUNDS: Anyone prepaying for an entry, and does not bowl, will be entitled to a full refund minus credit card fees (\$4 per entry) as long as the tournament director is notified prior to the start of the squad. Once a bowler starts scoring no refunds will be issued regardless of reason.

The top 2 handicap series from each handicap event will advance to a 1 -game shootout to determine the top 4 prize winners. The scratch event will also have a 4-person shootout when 30 or more scratch entries are recorded.

TIES: If there is a tie to advance to the finals all tied bowlers will bowl a 9 th/ 10 frame roll off to determine who advances to the shootout. If there is a tie for any other position in the prize list, they will split the prize money equally.

DETERMINING YOUR STARTING AVERAGE: First time bowlers, or members that have not bowled in a house shot event the past 12 months, will be issued an average by taking their highest 2 -year composite average. New bowlers must notify the LIGBT if they have been re-rated by any tournament in the past 10 years, or if their current average, of 21 or more games, is 10 pins or more higher than their highest 2-year composite average. Bowlers that don't have a 2 -year history can still bowl but must show proof of a current average.

CALCULATING AVERAGES: Once a bowler is issued a starting average, their average/handicap is determined by the games bowled in LIGBT house shot tournaments. After 3 events, if a bowler's cashing ratio is under $25 \%$, they will receive additional handicap until their cashing percentage increases to $25 \%$ or more. For complete details on how house shot averages are determined please visit LIGBTOUR.com.

AVERAGE/HANDICAP USED IN FINALS: Bowlers with more than 3 LIGBT house shot events will use the same average in the finals as they used in qualifying. All finalists that have competed in 3 or fewer LIGBT house shot tournaments will have their average adjusted for the final shootout based on all games bowled thus far in LIGBT house shot events.
