

HOUSE SHOT AVERAGES

The following bowlers will use a separate "house shot" average for events that feature a house shot condition. The bowlers listed are having their averages adjusted due to the new LGBT rules:

RULE 1: Any bowler that does not have 30 sport shot games with the LGBT in the past 12 months will use a house shot average (20 pins off their highest bowl.com average the past 2 years) if they:

- A. Cashed more than once in a house shot event
- B. Made the final shootout in a house shot event

RULE 2: Any bowler, including LGBT members with more than 30 sport shot games, will use a house shot average if they:

- A. Made the final shootout more than once in a house shot event
- B. Cashed in 4 or more house shot events in the past year
- C. Cashed in 3 or more house shot events and made a final shootout
- D. Minimum average for all male bowlers is 150 in house shot events
