## GENERAL RULES

**ELIGIBILITY:** The LGBT is an amateur only organization. Certain exceptions to the "NO PBA RULE" may be made if the bowler doesn't affect the competitive balance. No PBA/PWBA former champions allowed. All amateurs with a composite average the past 2 years of 230 or under are welcomed.

**MEMBERSHIP:** The LGBT is a members only organization. To compete in sport shot events entrants are required to pay a \$30 annual membership fee which comes with a \$10 discount on your 2nd tournament. House shot entrants have the option to join the club or pay a \$5 guest fee each squad they bowl. All house shot finalists must join the club and their membership fee will be deducted from their winnings (will receive full member benefits.) All house shot bowlers that compete in a major event (\$3,000 top prize or more) must be a member since these events have money added to the prize fund from the LGBT escrow account.

**NEW BOWLERS AVERAGES:** Bowlers that have never competed in an LGBT event will use their highest USBC composite average the past 2 years MINUS 20 PINS to determine their initial handicap. Bowlers that don't have a USBC average, but are bowling in a league, can use their current league average (minimum 21 games) to determine their handicap. If a bowler has been re-rated by any organization the past 10 years they must notify the LGBT. LGBT bowlers will carry 2 separate averages if they bowl in both type of events; a house shot average and a sport shot average.

**ENTRY FEES:** Entry fees will vary per event and range from \$50 to \$85. Lineage is charged at \$4/\$5 per game. Promotional fees will be a maximum of 10% per entry. \$3 per entry is put into an escrow account and will be used for added money into major events. Any membership or recruiting discounts awarded the day of the event will be taken from the entry fee. All prize money is returned 100%.
